(a) Cell level: attitude dominates
hot cell on the right cell
heading and gimbal-pitch error, s.d. (deg)
16 m horizontal range
22 m horizontal range
31 m horizontal range
simulation, RTK (refined)
simulation, attitude 1 deg (refined)
simulation, RTK (logged)
simulation, attitude 1 deg (logged)
(b) Module level: position dominates
horizontal position error, s.d. (m)
right module
right cell
RTK
GNSS without RTK
